Professional Experience

Call Agent, SkyTech

07/2023 – 09/2023

During my tenure as a call agent at SkyTech, I excelled in managing customer inquiries and ensuring effective communication. I consistently met performance targets and welcomed feedback to enhance my customer service skills. I look forward to discussing call agent responsibilities, performance expectations, and potential areas for development in our upcoming meeting. I am keen on exploring opportunities for career growth within SkyTech and contributing further to the team's success. This aligns with my commitment to professional development and excellence in my role.

Projects

Car-Treatment

11/2023 – 11/2023

In my car repair project, I took the lead in optimizing operations and elevating customer satisfaction. Through streamlined processes and customer-centric initiatives, I improved efficiency and service quality, demonstrating my commitment to excellence in the field of car repair.

Flavor Fusion

05/2023 – 06/2023

In my restaurant project, I led efforts to improve operations and customer experience. Through streamlined processes and customer-focused initiatives, I enhanced efficiency and satisfaction, showcasing my commitment to excellence in restaurant management.
